The classic love story of our time, Miss Saigon is one of the most successful musicals in the world - seen by over 30 million people in 25 countries and played in 12 different languages.

Set in 1975 during the final days leading up to the American evacuation of Saigon, Miss Saigon is an epic love story about the relationship between an American GI and a young Vietnamese woman.

Miss Saigon was seen by over three quarters of a million people in Sydney in 1995, however as the show was too large to fit into other Australian theatres, it did not tour the country. Cameron Mackintosh relished the opportunity to create a new version that is as exciting and even more emotionally involving than the original.
